Dear Mr. Courtney

The Friends of Los Alamitos Watershed request to have our "Use Fees" waived for our "Cut the Cake" recognition party to be held at the Hacienda Parking lot on Monday, February 25, 2013 between 8 am to 3 pm. We plan to install the Kiosk sign in the ground at 8 am and at 1 pm to 3 pm have a recognition party.

We are celebrating our volunteer members who donate their time to the park department for last two to three years. We want thank those volunteers and staff who spent their time working with us on the Santa Clara Valley Watershed Stewardship Grant project that will conclude on Feb 27, 2013.

We are proud of their grant accomplishments that supported the Santa Clara County Park System. Our volunteer highlights include having a successful major 2012 River Clean-Up event and the installation donation of six interpretive mercury signs located at the Hacienda Parking Lot site at the New Almaden Quicksilver County Park.

The goal of our small event is to recognize the people who made our project a success. We plan to recognize the support from Santa Clara County Park, MidPen Open Space District, Water District Staff, business sponsors ( i.e. Waste Management), community volunteer members, and the dedicated FOLAW members who helped give their time to support this wonderful project.
