

RECOGNITION AWARD

The members of the
Friends of the Los Alamitos Watershed

Recognize

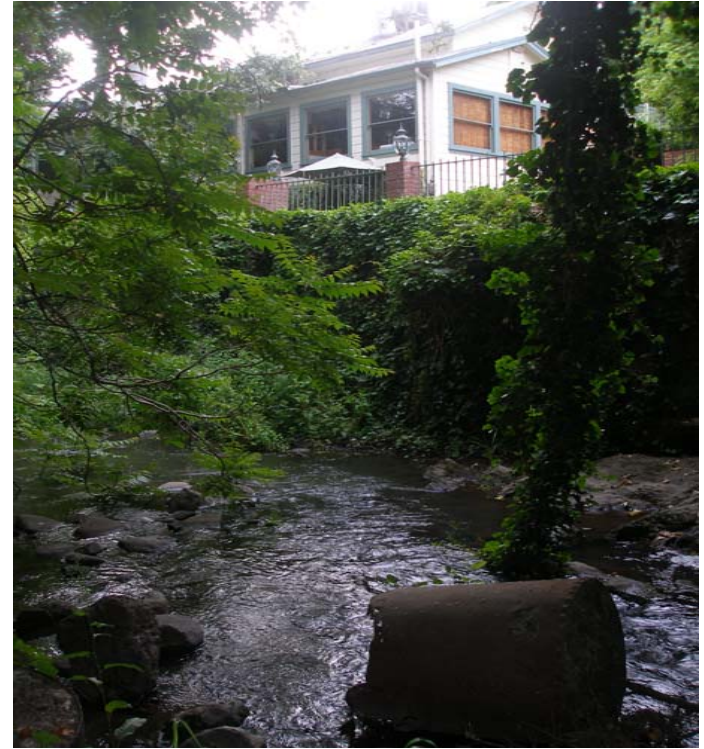

Spenser and Annie Scott

for their outstanding support to organize groups of volunteers to clean up the most difficult area consistently for five seasons of Coastal Clean Up events. Their efforts help keep the Los Alamitos a healthy creek and a wonderful place to play.

We thank them both for their community spirit in helping keep New Almaden Quicksilver County Park and Los Alamitos Watershed as a world class recreation site while protecting the natural environment and the historic character of our community.

Spenser and Annie ,

Know that on everyday of your life
our FOLAW community gives you this
blessing:

May the Santa Clara Valley hills caress you.
May her lakes and rivers bless you.

May the freedom of the Open Space enfold you.

May brooks and birds and singing hills
join in the chorus too,

And every gentle wind that blows
Send happiness to you.
